SHERRIES

(from the sweetest to the driest)

Pedro Ximénez, Gonzalez Byass Nectar

Very much a dessert sherry (though it's tasty on its own), it can also be used as an ice-cream sauce! Rich, tremendously sweet and velvety smooth on the palate, Nectar shows complex flavours of caramel, dried fruits, figs, mocha, nuts and spices. **50ml glass £5.50**

Harveys The Bristol Cream Solera Sherry, Andalusia

Classic, heart-warming and wonderfully consistent sherry since 1882! It is crafted from a delicate blend of Jerez's finest wines; delicate finos, aged amontillados, fragrant olorosos and the special Pedro Ximenez grape providing a silky, mellow smoothness. On the palate Bristol Cream delivers a full bodied experience with rich yet mellow notes leaving a long lasting and velvety finish. Enjoy at room temperature or over ice. **50ml glass £4.95**

Croft Original Pale Cream Sherry

Made from Palomino grapes for over 180 years and still family owned. Croft sherry has a clean crisp taste and an aromatic sweet finish giving you a lighter, fresher alternative to traditional dark sherries. Served chilled- as it should! Recommended with cheese, fresh fruit or as an aperitif! **50ml glass £4.95**

Pedro's Almacenista Selection Amontillado Medium Dry Sherry

This Amontillado is one of the true wines of Jerez. The subtle and delicate bouquet, suggests notes of hazelnut on the nose, yet with light reminders of yeast but smooth on the palate giving a fresh finish. This is an excellent match for soups and consommés, tuna, wild mushrooms, hard cheeses like Manchego or Cheddar and as Japanese/Asian influenced dishes. **50ml glass £4.95**

Pedro's Almacenista Selection Palo Cortado Dry Sherry

Very rare style of sherry that falls between the elegance of Amontillado and the richness and complexity of Oloroso. From the cellar of Cayetano del Pino, this is a truly magnificent example of the style. You can taste almond and walnut flavours throughout. Try it with slated nuts, charcuterie board, cured meats, cheeses or enjoy on it's own! **50ml glass £4.95**

Pedro's Almacenista Selection Oloroso Dry Sherry

The wine has an average age of 20 years. The must selected for an Oloroso is always more fragrant but also more robust or as they say in Jerez; basto. It is a highly pure Oloroso, as it has not been blended with anything other than the same style of Oloroso's from near identical butts. Exquisite and full of complexity, with intense aromas of toasted walnuts and autumn leaves. Warm and expansive on the palate - an excellent match for red meats, casseroles and chicken! **50ml glass £4.95**

Gonzalez Byass 'Tio Pepe' Fino Sherry

The family business started in 1835 and this is now the world's best-selling Fino – and for very good reason. It's deeply refreshing with notes of green apple and toasted almond and a hint of saltiness on the crisp, dry finish. Serve straight from the fridge with classic tapas nibbles, like cheese, olives and salted nuts **50ml glass £4.95**

112. 2021 Pouilly-Fuissé, Vieilles Vignes, Collovray et Terrier, France **£59.00**

The Vieilles Vignes (old vine) Pouilly Fuissé is a deep gold wine that has an intense brioche aroma with hints of stone fruits and flowers, and a restraint that hints at its minerality. *This Sancerre is a fantastic example of pure Sauvignon Blanc`s structure, elegance and finesse. It has a beautiful pale gold colour, it is complex and intense with fresh notes of citrus on the nose. 119. 2019 Chablis 1er Cru Chablis, Domaine Jean-Marie Naulin, Burgundy **£69.00**

Burgundy itself has a wine-making history which stretches back at least two thousand years, and as such, it comes as no surprise that the wineries which fill the dozens of controlled appellations of the region rely heavily on traditional methods and techniques when it comes to producing their famous wines. This small winery on the right bank makes no exception!

The wine is lively and full-flavoured. It is well- rounded with medium, but pleasant acidity and wonderfully rich colour. It has firm, flinty underlying minerality and hints of apple, pear, lime and vanilla. Exemplary Chablis.

211. 2017 Château Musar, Gaston Hochar`s, Bekka Valley, Lebanon **£85.00**

Chateau Musar is quite possibly the only winery in Asia that is a household name.

The vineyards are located in the Bekaa Valley, which is actually more of a plateau than a valley, but its elevated position, reaching 1,000 metres in some places means that the heat is not nearly as oppressive as one would initially imagine. Chateau Musar is a blend of Cabernet Sauvignon, Cinsault and Carignan. The nose is much more dominated by the floral, spice and red fruit components of the Cinsault and Carignan. However, the tannins are all Cabernet and so is the powerful finish which lingers with all the beautiful hallmarks of this wine: leather, incense, balsam, wood smoke, cedar wood, and undergrowth. This is Hugh Johnson`s favourite wine and he has sampled a few!

213. 2017 Château Cissac, Haut-Médoc, Bordeaux, France **£89.00**

In 1895, Jacques Mondon, a lawyer in Pauillac, acquired several vineyards in the parish of Cissac-Medoc. He combined these different vineyards under the name of Chateau Cissac. In 1940 Louis Vialard inherited the property set about the task of restoring the vineyards and the outbuildings as well as the family home, taking advantage of the fantastic area of its location-it neighbours famous wine producers as Margaux, Pauillac and Saint-Julien.

This wine is a beautiful mix of Cabernet Sauvignon 75%, Merlot 20%, Petit Verdot 5%, also known as cru Bourgeois. It has earthy, dried-floral and slightly spicy oak aromas, red berries with a hint of plums. It is clear, not particularly deep with elegantly juicy fruit on the palate, offering delicious, delicate tannins.

The Corino Vineyard was established in 1952, specializing mainly in the production of Barolo. To this day all grapes are still hand-picked to prevent oxidation and preserve the phenolics (their intense aroma!). The wine is matured in new and old oak barrels for eighteen months to two years, followed by six months in steel vats. It is then meticulously inspected and bottled aged prior to release. Barolo is made with 100% Nebbiolo grapes which contain high levels of tannins and are quite acidic- this is what makes them so iconic for the region- think of the opposite of Pinot Noir! This wine is bright garnet in colour, has a fantastic cherry and blackberry smell and taste, liquorice and a touch of tobacco- like smokiness. The initial bold tannins mellow down as the wine breathes- a truly spectacular and excellently balanced Barolo.

HALF BOTTLES - RED

252. 2019/20 Rioja Vega Crianza, Spain **£21.00**

Made from Tempranillo and Graciano, this intense, cherry coloured wine has a smooth and deliciously fruity palate. The typical spicy cherry and cassis flavours, this time in combination with gentle vanilla and oak notes, offer a more refined experience. The moderate tannins take away the edge of the spiciness, giving this wine a balanced and rather palatable finish.

253. 2020 Châteauneuf-du-Pape, Les Galets de la Berthaud, Roger Perrin **£33.00**

Lovely wine, made for drinking young from the South Rhone Valley. The Grenache grape dominates over the Syra which gives it more vibrant fruit flavours and ever so light peppery warmth on the palate. In addition, the ripe cherry fruit aromas make this Châteauneuf du Pape a smooth and elegant wine. Its light style makes this wine easy to enjoy. Great Value!

255. 2021/22 Beaujolais-Villages, Domaine de Viroylette, Jacques Charlet **£25.00**

Jacques Charlet has been a wine grower since 1754. The family's reputation as excellent Beaujolais producers secured them a very prominent place within the Parisian's high class clientele, one of the most famous ones being King Louis XVI's architect. One can speculate that the king himself might have enjoyed the Charlet family's wines! To this very day the vineyard enjoys the success of their good reputation. This particular wine is round and boldly aromatic with a complex palate, light red fruits, morello hint of tea leaf and some gentle chewy tannins

257. 2021 Séguret, Côtes du Rhône-Villages, Domaine de l'Amandine, France **£24.00**

From equal blends of Grenache with Syra, this is a smooth, infinitely pleasant wine. It has a lovely perfumed nose of ripe, juicy black cherries, spicy cranberries, redcurrants, combined with subtle peppery notes. There are also delicate earthy undertones and gentle tannins which adds to its charm.

259. 2019/20 Château Montaguillon, Montaigne-Saint-Emilion, Bordeaux, France **£29.00**

This vineyard, bordering with Pomerol, has an excellent reputation and is known as the star of the Montaigne-Saint-Emilion appellation, producing consistently fine, elegant red wines This delicious Merlot dominated mix appeals with its complexity of oakiness, generous dark fruits such as berries and plums and a touch of vanilla. The obvious tannins when the bottle is first open mellow down quickly and offer a delightful, lingering finish.

261. 2017 Château Musar, Bekaa Valley, Lebanon **£44.00**

Chateau Musar is quite possibly the only winery in Asia that is a household name.

The vineyards are located in the Bekaa Valley, which is actually more of a plateau than a valley, but its elevated position, reaching 1,000 metres in some places means that the heat is not nearly as oppressive as one would initially imagine.

Chateau Musar is a blend of Cabernet Sauvignon, Cinsault and Carignan. The nose is much more dominated by the floral, spice and red fruit components of the Cinsault and Carignan. However, the tannins are all Cabernet and so is the powerful finish which lingers with all the beautiful hallmarks of this wine: leather, incense, balsam, wood smoke, cedar wood, and undergrowth. This is Hugh Johnson's favourite wine and he has sampled a few!
